Notice For Clients About JASANZ Accreditation Reduction in FSMS Scope

尊敬的客户

Dear clients:

感谢贵组织对挪亚检测认证集团有限公司（以下简称 NOA）的信任与支持。

Thank you for your trust to choose NOA Testing & Certification Group Ltd. to provide certification services for your organization and always support us. (The abbreviation for NOA Testing & Certification Group Ltd. is NOA.)

我们抱歉地通知您，由于 NOA 将缩小 JASANZ FSMS (ISO22000)的认可资格，贵组织已获得具有 JASANZ 标志的 FSMS 证书将会有所更改，NOA 将提供以下选项供贵组织选择：

We are very sorry to inform you that since NOA has applied to JASANZ for reduction of FSMS (ISO22000) accreditation scope, your organization's JASANZ accredited ISO22000 certificate will be revised. Your organization has the following options :

1. 原 JASANZ 标志的证书，将在 2025 年 9 月 20 日失效。NOA 将自动把您的证书转换为 CNAS(中国合格评定国家认可委员会)或 ANAB(ANSI National Accreditation Board, LLC)认可标志。证书最后监察日，有效期保持不变。

1. Certificates with the original JASANZ mark will expire on September 20, 2025. NOA will automatically convert your certificates to the CNAS (China National Accreditation Service for Conformity Assessment) or ANAB(ANSI National Accreditation Board, LLC) accredited mark. The last surveillance date of the certificate and its validity period remain unchanged.

2. 如果您决定不进行转换，可与客服人员联系，以书面形式进行说明，我们将为您登记处理，原证书将在 2025 年 9 月 20 日后无法继续使用。

2. If you decide not to proceed with the conversion, you may contact our customer service staff to provide a written explanation. We will then register and process it for you, and the original certificate will no longer be valid for use after September 20, 2025.

一旦您根据上述两种选项中作出了最终的选择，须遵循下述条款：

Once you have selected an option and the revision is final, the following will occur:

1) 必须立即停止使用和引用 NOA 颁发的带有 JASANZ 标志的 FSMS 证书，删除您网站上任何引用和其他用于市场营销的材料，NOA 将回收并销毁已颁发的证书。

1) You must immediately stop using and referencing FSMS certificates with the JASANZ symbol issued by NOA , remove any references and other materials used for marketing purposes from your website, and NOA will recall and destroy the issued certificates.

2) 如果您已提交 FSMS 认证的申请但尚未获得认证证书，NOA 本次认证将不再为您颁发带 JASANZ 标的认证证书。

2) If you have submitted the application for FSMS certification but have not yet got the certificate, NOA will not issue you a certificate with JASANZ logo.

为您带来的不便，敬请谅解！最后，感谢您一直以来对 NOA 的信任与支持。也衷心地祝愿贵组织事业蒸蒸日上！

Sorry for causing inconvenience to your work! Thank you for your continuous trust and support to NOA. Sincerely hope that your organization will continue to be successful!
